2 007 PROVED TO be quite a busy year for Steve Bacic. A familiar face on both the big and small screens, he not only guest-starred on two hugely popular US TV programmes, **ER** and **CSI: Miami**, but was also cast as one of the leads in a new drama series called **The Guard**, which revolves around Canada's Coast Guard. In the Sci-Fi/Fantasy realm, the actor played a variety of roles including the ill-fated Jurgen Belzen in the two-hour **Battlestar Galactica** made-for-TV/DVD story **Razor**. Belzen served as Admiral Helena Cain's long-time executive officer aboard the **Battlestar Pegasus**, and was also a close friend, until he made the mistake of crossing her.

"Admiral Cain, as played by actress Michelle Forbes, was such a strong character," explains Bacic. "I actually rented and watched the two episodes that Cain first appeared in [the second
